George Connell | Department of Politics | York University

This course offers an interdisciplinary approach to the major developments of European political thought in the sixteenth century. It emphasizes the widely divergent historical contexts and processes of social change in Italy, Germany, France and England during this period, in contrast to what is usually perceived to be a broad parallelism of

By GEORGE VECSEY A Sporting Gesture Touches Em All Published: April 30, 2008 Something remarkable happened in a college softball game last Saturday in Ellensburg, Wash. At least, I am conditioned to think it was remarkable, since it involved an act of sportsmanship, with two players helping an injured opponent complete the home run she
