Childhood Poverty and Social Exclusion: From a Child's ...

At the heart of the book lie findings from a new empirical study of children and young people who are living in poverty (Ridge, 2000), which explores through their own accounts the economic, social and relational impact of childhood poverty and social exclusion. The book comes at a particularly opportune moment as policy makers and practitioners seek to address the economic and social

[Childhood Poverty and Social Exclusion - jstor.org](#)

Childhood Poverty and Social Exclusion is an original and useful study by Tess Ridge that looks at family hardship through the eyes of 40 children in families living on government benefits in and around Bristol, UK. 20 of the children come from urban families, 20 from rural; 20 are in two-parent families, and 20 in one-parent families. These families are distributed evenly as far as possible.

[Childhood poverty and social exclusion. \(eBook, 2002 ...](#)

Childhood poverty and social exclusion offers a rare and valuable opportunity to understand the issues and concerns that low-income children themselves identify as important. Using child-centred research methods to explore children's own accounts of their
