[Consumption by Kevin Patterson - Goodreads](#)

Consumption by Kevin Patterson is a book that is hard to categorize, and that is part of what I liked about it. It does not fit cleanly into any genre, and it is not a cleanly written book. Parts of it are confusing, and some characters and plot lines (there are many, many plot lines) seem superfluous. While everything I've read about the book says that the focus is on the main character

Consumption is a haunting story of a woman's life marked by struggle and heartbreak, but it is also much more. It stunningly evokes life in the far north, both past and present, and offers a scathing dissection of the effects of consumer life on both north and south.

[Consumption by Kevin Patterson - Penguin Random House](#)

Consumption is an old word for tuberculosis, especially the chronic wasting illness it caused, and TB is important both to the book's plot and to the history of the Inuit. It also alludes to the idea of affluence, and the disordering effect of affluence is one of the ideas of the book, too.
