Creaturely Poetics | Columbia University Press
Exploring the "logic of flesh" and the use of the body to mark species identity, Anat Pick reimagines a poetics that begins with the vulnerability of bodies, not the omnipotence of thought. Pick proposes a "creaturely" approach based on the shared embodiedness of humans and animals and a postsecular perspective on human-animal relations. She turns to literature, film, and other cultural texts, challenging the familiar inventory of the human: consciousness, language, morality, and dignity

Creaturely Poetics: Animality and Vulnerability in ...
Simone Weil once wrote that "the vulnerability of precious things is beautiful because vulnerability is a mark of existence," establishing a relationship between vulnerability, beauty, and existence transcending the separation of species.
