"This book charts the territory of the design activist --- a person who uses the power of design for the greater good of humankind and nature.

[Design Activism by Alastair Fuad-Luke \(ebook\) - ebooks.com](#)

Design Activism reveals the power of design for positive social and environmental change, design with a central activist role in the sustainability challenge. Inspired by past design activists and set against the context of global-local tensions, expressions of design activism are mapped. The nature of contemporary design activism is explored, from individual/collective action to the
