[Development Aid in Russia | SpringerLink](#)

Drawing on both Development Studies and post-Soviet literature, this study examines projects in Siberia since the fall of the Berlin Wall. Focusing on critical accounts of development projects in Siberia, managed by the author, this book provides a first-hand account of the successes and failures of development aid.

[The Russian Federation's International Development ...](#)

Russia is unique among emerging donors for being a re-emerging donor: the Soviet Union was one of the largest donor countries in the world, and Russia's period as an aid recipient was relatively brief. Russian development cooperation is driven by key security and economic priorities, as well as resulting from commitments made to multilateral organisations. Russian official development assistance, according to official government sources, increased fivefold in the period 2004-11

[Russia's Development Assistance, with a Focus on Africa](#)

Russia's development assistance, with a focus on Africa Executive summary By Andrey Makarychev and Lie nia Sim o It was not until 2007 that the concept of development assistance became part of the Russian foreign policy toolkit. This policy brief explains Russia's development assistance policy mainly towards Africa as an

effect of the country's global commitments and

Lessons from the Projects | Springer for Research ...

Prologue | Springer for Research & Development

By contrast, there has been relatively little study of flows to the FSU and Russia in particular, intended to help introduce democratic practices there. How far can these be regarded simply as a subset of the main body of development aid? How far are the questions which they raise peculiar to their time and place?

Russia and the World Bank: International Development ...

Official Development Assistance. Russia's Official Development Assistance steadily increased from about \$100 million in 2004 to \$1188 million in 2017. The latter amount combines both bilateral and multilateral ODA, including contributions through the World Bank Group. For Russia, priority areas of cooperation are health, food security, agriculture, human development, education, and
