Dirty Fracking Business Peter Ralph

Dirty Fracking Business When little Charlie Paxton aged
only six passes away with a mysterious form of cancer, his
father, Charles, swears to have his revenge. The water and
the air in the Fisher Valley was pristine before the coal seam
gas companies arrived with government endorsed
gas exploration and development licences.

The air and water in the Fisher Valley were pristine before a large energy corporation conned farmers and landowners into letting it have access to their land. Once on the land, it drilled and fracked coal seams deep below the surface, without a

Book Review: Dirty Fracking Business by Peter Ralph
Peter Ralph about this book: When a huge energy corporation cons farmers and landowners into letting it have access to their land in the pristine Fisher valley, all hell breaks loose.
