It's this oppressive, aggressive and exclusive side to cool that makes me declare ardently, no I'm not cool. I rebel against the notion of a standard or style or attitude that oppresses those that don't fit in- that excludes and diminishes the vulnerable, the shy, the uninformed and the unconfident.

This is a book for everyone who likes to think they're clever, or who thinks they'd like to be clever. And cleverness is not just knowing stuff, it's how laterally, deeply and interestingly you can bend your brain.

Guessimating the population of Croydon, for example, opens a chain of thought from which you can predict the strength of a nuclear bomb and that's just the start of it.
