Even if your school has not instituted a formal program in support of social and emotional learning, there are plenty of activities you can initiate right in your own classroom. To begin, recognize that an emotionally intelligent teacher is the first step to an emotionally intelligent classroom. [Social Emotional Learning, Brain Research, and Healthy ...](#)

Healthy classroom environments depend on the creation of a classroom culture that allows children to develop emotional intelligence competencies. Emotional Intelligence (EQ) competencies are developed from the ability to be aware of one's own emotions and patterns of behavior (Self-Knowledge), to manage negative or

destructive emotions effectively (Self-Management), and to share in positive relationships and experiences with others in a way that enhances learning and life satisfaction
