Nationalism and the Moral Psychology of Community, Yack  
For Yack, to understand the moral psychology of the nation as a form of the social friendship of community, one must take into account the complexity that is expressed in the historical relation between nationality and the liberal tradition, including the dilemma of the moral value of what Yack calls contingent communities. In this measured, sensible, and convincing analysis of nationalism and its relation to popular sovereignty, one has a valuable contribution that moves our

Nationalism and the Moral Psychology of Community ...  
Bernard Yack argues that it is the inadequacy of our understanding of community and especially the moral psychology that animates it that has made this question so difficult to answer. Yack develops a broader and more flexible theory of community and shows how to use it in the study of nations and nationalism.  
Nationalism and the Moral Psychology of Community by ...  
Nationalism is one of modern history's great surprises. How is it that the nation, a relatively old form of community, has risen to such prominence in an era so strongly identified with the individual? Bernard Yack argues that it is the inadequacy of our understanding of community and especially
