The Sociology of Emile Durkheim and Nationalism - Springer

James Dingley; Chapter: 108 Downloads; Abstract . Both sociology and politics have a symbiotic relationship since social cohesion and political order have a natural interplay and help to define each other. The sense of common identity that nationalism implies is difficult to maintain in the face of a lack of internal social cohesion or the lack of a sense of collective being, as one with one

JAMES DINGLEY spent over 25 years as a sociologist at the University of Ulster, Northern Ireland, where he specialized in social theory and political sociology, particularly political violence. Living in Northern Ireland, he had first hand experience of talking directly to the military, police and terrorists of both sides. Uniquely, he can combine academic social theory to practical and first **Ernest Gellner s theory of nationalism and its Durkheimian ...**

Therefore, Durkheim applied two sociological methodologies structural and functional to his positivist research design with which he was able to develop his social solidarity theory of division of labour.
