### Nothing Special (Stupid Fast, #2) by Geoff Herbach

For the fourth quarter I have just finished a novel called Nothing Special by Geoff Herbach. This book is one of my favorite books I have read this year. And the reason I say that is, the main character is one of my favorite people in the book. Even though he is a boy I still can relate to him a lot.

NOTHING SPECIAL, by Geoff Herbach. Age Range: 12

& up Herbach's sophomore effort is impenetrable to those

who have not read his first, due to a complete lack of

character introductions. The conceit of telling the tale of

that buries the heart of this potentially touching tale in a

flabby, confusing construct few readers will
