Organizational Adaptation to Discontinuous Technological ...

Adaptation to discontinuous technological change constitutes a major, yet vincible challenge for established companies. This book reveals crucial differences between the challenges that family-owned and managed firms face as compared to non-family firms. Series of case studies in the German retailing and book publishing industries illustrate

Organizational Identity and Adaptation to Disruptive Change

Through their studies, Kammerlander, Konig and Enders narrow down to two dimensions of organizational identity that surface as particularly salient in the context of discontinuous change: focus and locus. They found that these are strongly influential on strategic behaviour.

An Attention Based View of Family Firm Adaptation to ...

Recent studies show that managerial attention is a particularly important precursor of established firms' responses to discontinuous technological change.
