Appealing step-by-step photography allows children to see a butterfly emerge from its cocoon and spread its wings, or see what happens when an egg hatches and a chick emerges. Each book comes with a sticker sheet packed with cute images of the animals featured in the book. See How They Grow: Owl follows an owl on its path from egg to adult.

The text was very, very simple and not overly informative, but the pictures of the newly hatched owl, then again at 3 days, or a week or 3 weeks were really neat. My 5-yr-old loved this. He spent about 30 minutes looking through it, and asked me to read it twice.
