Books

In Sustainable Marketing Donald Fuller has made a
timely and considered contribution to the marketing
literature. With the environment increasingly being
recognised as a legitimate element in marketing theory and
practice, Fuller's book serves as a useful introduction for
those who have yet to get to grips with what this might
entail.

Sustainable Marketing: Managerial-Ecological Issues
Sustainable Marketing was written to heighten awareness of environmental issues among marketing managers, marketing students, and marketing educators. I always have been puzzled by my own field's disinterest in examining how marketing decisions affect the ecosystems that sustain our lives and the lives of those to come. To me, it seems perfectly reasonable to take steps now to prevent very
