[Review: Taming the Gods, by Ian Buruma - The Globe and Mail](#)

Buruma calls his chapter on Asia Eastern Wisdom, but this is palpably ironic. Story continues below advertisement
Buruma's final chapter, on Islam in Europe, poses the problem of "Enlightenment."

"Buruma's cosmopolitan and historical perspective and his sense of complexity distinguish Taming the Gods from much other writing on religion and politics. . . . Concrete detail, historical perspective, and practical wisdom. His major target turns out not to be the irrationality of religion but the irrationality of the political and social debate, especially in Europe, surrounding religion. The word that sums up his concern in his concluding essay is 'hysteria'-- not a god or goddess but more
