"The Private Patient" is a book preoccupied by the passage of time. Lonely futures, sad pasts, the "flattening" of aging, the world changing and people losing their family homes. Even Dalgleish's impending wedding has a bittersweet edge, since it heralds changes among his friendships. Yet P.D. James makes sure to remind us that love and friendship can overcome the sadness of change and loss.

The Private Patient takes a while to get going, as P.D.James takes her time setting her stage -- here essentially Cheverell Manor ("regarded as one of the loveliest Tudor manor houses in England"), a property where plastic surgeon Chandler-Powell treats some of his patients. There is not a huge staff there, but from a surgical assistant to nurses and household staff there is a colourful cast.
