These straightforward tools provide answers that are highly coherent and probably the most applicable to Whitehead's entire corpus. The second objective is to illustrate how the several parts of Process and Reality are interconnected, something that all commentators have either failed to recognise or only incompletely acknowledged.

**Michel Weber - Wikipedia**

Michel Weber (born 1963) is a Belgian philosopher. He is best known as an interpreter and advocate of the philosophy of Alfred North Whitehead, and has come to prominence as the architect and organizer of an overlapping array of international scholarly societies and publication projects devoted to Whitehead and the global relevance of process.
