Work after Globalization | New Unionism Network blog

Guy Standing's new book *Work After Globalization: Building Occupational Citizenship* offers us the kind of foundation we need to launch a new social-democratic program. And let's face it, the old one is long since dead. And starting to get a bit smelly. This review will attempt to summarise the book, but do yourself a favour, don't take my word for it. You need to read this book for *Work after Globalization - Edward Elgar Publishing* *Work after Globalization* offers a new perspective on work, rejecting the labourist orientation of the 20th century. Social scientists interested in globalization and labour market issues will warmly welcome this book. It will also strongly appeal to students, researchers, policy-makers, social activists and those connected with the international regulation of occupations.

Work after Globalization - Basic Income Earth Network

Work after Globalization Building Occupational Citizenship Guy Standing, University of Bath, UK and formerly of the International Labour Organization, Geneva, Switzerland This is an important book. It shifts emphasis from the role of capital to the creativity of labour in the creation of value in the real economy. A central role is accorded to each and all of the skills and occupations which

Work after Globalization by Guy Standing (ebook)

Guy Standing explains that while a struggle against paternalism is essential, the desirable egalitarian response to the problems caused by globalization is a strategy to build occupational citizenship. This is based on a right to universal economic security and institutions to enable everybody to develop their capabilities and work whilst respecting the ecological imperatives of the 21st century. [Review of Guy Standing's 'Work After Globalization ...](#) analyze the world of work in times of globalization. Globalization or the second great transformation is marked by the end of state welfare capitalism (p. 37). As an alternative to neoliberal globalization Standing offers the vision of a world of work after globalization where [Amazon.com: Work After Globalization: Building ...](#) [Work After Globalization: Building Occupational Citizenship](#), by Guy Standing (Author) Visit Amazon's Guy Standing Page.
