Greg Lake says friendly rivalry between Yes and Emerson ...

In the heady days of the 1970s, prog-rock bands like Yes and Emerson Lake and Palmer were thought to be rivals, trying to top each other in every way from elaborately constructed tours to even more elaborately constructed albums.

Benamina started her walk from the front door of her ...

...

A displacement is a vector that is the shortest distance from the initial to the final position of a point P. It quantifies both the distance and direction of an imaginary motion along a straight line from the initial position to the final position of the point.
